

The Last Goodbye

A face that is always on our minds,
A smile we have seen a million times.
Two eyes that would light up the sky at night,
One last battle you could not fight.

The day was long, then night, then morn.
We knew that soon you would be gone.
We clasped your hand so warm in ours.
Soon we would be out of time.

To stay with us you fought so hard.
A million pieces went our hearts.
In life we loved you dearly
And in death we love you still.

Now all we have are photos
but we can look and see you smile
And thinking of those calls you made
Your number's on speed dial.

It broke our hearts to lose you
But you didn't go alone
For part of us went with you
The day God took you home.
