

I CAN'T LIVE WITHOUT YOU

My days are filled with thoughts of you.

*Over the years, I built my life around you
Until it reached the point where
I can't live without you.*

*I can't imagine
What life will be without you?
How will I manage it?*

You were the one who completed me.

*With you, life was beautiful
You showed me how to love
You were my heartbeat and happiness
That's why I can't live without you.*

*You were my dream come true, my only hope.
Without you, I will plunge into darkness
My heart is broken.*

*You were the one who made me laugh
You were the one who touched my heart
You were the one who moved my soul
And made me warm when I was cold
How could I live without you?*

I can't live without you.
