

Maybe

Maybe we are supposed to meet the wrong people before we meet the right one so when they finally arrive, we are truly grateful for the gift we have been given.

Maybe it's true that we don't know what we have lost until we lose it but it is also true that we don't know what we're missing until it arrives.

Maybe the happiest of people don't have the best of everything, but make the best of everything that comes their way.

Maybe the best kind of love is the kind where you sit on the sofa together, not saying a word, and walk away feeling like it was the best conversation you ever had.

Maybe once in a lifetime, you find someone who not only touches your heart but also your soul, someone who loves you for who you are and not what you could be.

Maybe the art of true love is not about finding the perfect person, but about seeing an imperfect person perfectly.
